

INSTRUCTIONS:

1. Please complete the **PROJECT FORM** following the guidelines, remember to respect the maximum number of characters allowed (when indicated) - spaces included - and to complete all boxes (do not delete any box);
2. In the **BUDGET SECTION** you can insert or delete lines accordingly to your necessities. In case you have specific quotations please include them here if you wish the reviewer checks them and upload them **ALSO** as separate attachment (category "preventivi");
3. After you have finished to complete the form, please **SAVE** the project as: **PROJECTCODE_PROJECT_Surname** e.g. **2023-xxxx_PROJECT_Rossi**; and remember to **DELETE THIS BOX** and **UPLOAD THE FILE AS PDF**.

Project Title

Principal Investigator

Abstract

(maximum 5000 characters)

1. PROJECT DESCRIPTION AND APPROACH**1.1. Objective**

Explicit the RESEARCH QUESTION[s].

1.2 Relation to the call

Discuss how the project addresses the challenges and scope of the call.

(maximum 10000 characters)

1.3 Background literature

Position your research within the literature and academic debate providing a clear picture of the the gap[s] you intend to fill.

(maximum 10000 characters)

1.4 Inequality Dimensions

Describe the different dimensions of inequality (at least two) explored by your project. Indicate the : nature, diffusion, relevance, possible connections with other dimension of inequalities and how each inequality dimension represents a problem for society

(Remember to consider at least 2 dimensions of inequality)

1st dimension inequality

2nd dimension inequality

(maximum 10000 characters)

1.5 Methodology

Explain the overall methodology and in turn the method[s] used to answer your research question[s].

(maximum 10000 characters)

1.6 Originality

Describe what makes your proposal unique and original. How it represents an advancement beyond the state of art?

(maximum 10000 characters)

2. IMPACT

Use this section to describe the project impact on the academic debate and society. In particular:

- clarify the project contribution in advancing new knowledge;
- identify appropriate indicators to measure the different dimensions of inequalities;
- explore how the project intend to transfer research findings to civil society and/or public decision makers and contribute to the formulation of policies and/or solutions aimed at reducing inequality
- identify/anticipate emerging needs (social, economic, cultural etc) in the local context

(maximum 10000 characters)

3. IMPLEMENTATION

3.1 Workplan

Please provide a short description of the research workplan

(maximum 10000 characters)

3.2 Work packages (WPs) and deliverables

Please provide a short description of each WP (per each WP use the table below)

WORK PACKAGE n	
name and number of the WP	
participants (organizations)	
start and end month	
objective[s]	
description	
expected result[s]	
deliverable[s]	
relation to other wp[s]	

3.3 Research organization

Describe the research organization[s] participating the project primarily focusing on the research environment and the research facilities.

(maximum 10000 characters)

3.4 Research Team

Summarize the CV of each member of the team (permanent and temporary), including the PIs. Please fill the table below. Add as many tables as you need accordingly to the number of researchers in the team.

Name and Surname	
Position	
Role in the project	
Age	
Short description of relevant experiences (no more than 5 lines)	
List only publications related to the topic of the Call and no more than 5	1. 2. .. 3. .. 4. .. 5. ..
Describe the involvement in each WP also indicating Person Month (PM).	

3.5 Young researcher

Describe the actions you will implement to involve, train and empower young researchers. Explain how/in which ways the participation to the project will represent an enhancement for their careers.

3.6 Gender Equality

Please use this section to describe how the project contribute to promote gender equality in:

- a- In terms of the way in which the research is designed and developed (methods, approaches etc)
- b- in terms of enhancing women career perspectives.

Please note that a and b represent two very distinct levels of reflection. One is related to the research ans such, which the second one is related to the team.

- How the project contribute to promote gender equality from the research perspective

- How the project contribute to promote gender equality from the research team perspective

4. BIBLIOGRAPHY

List all the articles cited. For each publication indicate: authors, title, journal, volume, issue, pages and year of publication. If available online, provide the link.

(maximum 50 publications)

Please note that together with the budget form these are the only documents that the reviewers will receive therefore include in the final pdf all documentation or information you wish to send them (e.g. information intended to clarify the budget, quotes, estimates and, in case you might have them, letters of support)
